WITHOUT IMMEDIATE NOTICE TO OAKLEY BARGE LINE, INC. OF ERROR, IS ACKNOWLEDGEMENT OF THE ACCEPTANCE OF TERMS AND CONDITIONS CONTAINED HEREIN.
Contract of Affreightment – Additional Terms and Conditions

1. **NATURE OF CARRIAGE:** This Contract of Affreightment (hereinafter “CONTRACT”) is not to be construed as a bareboat, demise or time charter, or as a contract of common carriage.

2. **SHIPPING DOCUMENTS:** Any other shipping document issued in connection with transportation of cargo under this CONTRACT shall be considered acknowledgement of receipt only, it being the intention of the parties that this CONTRACT contains all the terms and conditions agreed upon by the parties for the transportation and carriage of cargo. The terms and conditions of this CONTRACT shall supersede any terms and conditions contained in any other instrument between the parties.

3. **OAKLEY BARGE LINE, INC.’S UNDERTAKING:** Oakley Barge Line, Inc. (hereinafter “OBL”) undertakes to transport the cargo described on Page 1 herein but is unaware of the contents, weight, quantity, quality and condition of said cargo, and specifically but without limiting the generality of the foregoing, undertakes no duty to ascertain the characteristics of said cargo.

4. **PLACEMENT AND COVER HANDLING:** CUSTOMER / SHIPPER shall provide OBL proper notice for each requested barge placement for loading. For import vessels a 14 day and a 7 day notice and daily update within 7 days of requested placement date is required unless otherwise stated. For non-import loadings a 7 day notice is required (unless otherwise stated). OBL shall tender barges in the suitable condition for loading at the appropriate fleeting location and with covers in the agreed upon cover configuration. SHIPPER will promptly notify OBL if there are any reasons for rejecting the barge prior to loading. The commencement of loading of the barges shall constitute the SHIPPER’s acceptance of the condition and suitability of the barges for the carriage of the intended cargo. After OBL tenders the barge to SHIPPER for loading/unloading, all cover handling charges shall be for the SHIPPER’s account unless otherwise stated. The rates stated herein shall include only one placement of barges by OBL at origin and one placement at destination. Customer will be provided a fleet to dock switch and a dock to fleet at origin and again at destination. Any additional shifting of barges to accommodate loading or unloading or to otherwise accommodate SHIPPER shall be for SHIPPER's account, and if performed by OBL, will be charged at OBL's prevailing rate for such service.

5. **CANCELLATION:** If CUSTOMER cancels a requested barge less than five (5) days prior to the requested placement date, SHIPPER shall pay a cancellation fee equal to OBL’s cost incurred and barge days utilized at the contracted demurrage rate for preparation and relocation of the barge in anticipation for placement.

6. **RE-CONSIGNMENT AND STOP OFF:** Prior to or while barges are en route, SHIPPER, upon acceptance of OBL’s Fee for services outside the scope of services of this CONTRACT, may re-consign barges to a Destination not provided at the time of the release. In the event of such re-consignment, SHIPPER shall remain fully liable to OBL for all of its duties and obligations under this CONTRACT, including but not limited to payment for additional affreightment if applicable and / or, re-consignment fees and demurrage. Stop off terms and conditions are considered on a case-by-case basis and are not guaranteed.

7. **STORAGE:** For loaded barges releasing from origin to a storage destination for “on barge storage”, release of the barge would be effective 0700 after release from SHIPPER or OBL’s agents. For loaded barges on storage that release to a destination for “on barge storage”, the release will be effective 0700 after pick up. For barges on storage at deemed storage location; release to final destination will be for the next 0700 after release.

8. **NAVIGATION CLAUSE:** During river closures or restricted movements caused by conditions outside of the control of OBL, such as Lock Closures, Ice, Low Water, High Water, etc., which limits or prohibits the ability of OBL to engage in normal navigation along the intended route from Origin to Destination, the following actions shall be taken without any liability to OBL. OBL shall notify the SHIPPER of the river closure or restricted movement and continue to move the barges to a fleet nearest the original Destination that normal navigational conditions will allow. SHIPPER will have forty-eight (48) hours from notification to re-consign the barges to a Destination with normal navigational conditions or accept the barges on placement. Barges re-consigned will follow the Section 6 above. Barges accepted on placement will remain on placement at the CONTRACT’s Demurrage Rate until navigation and operating return to normal conditions. Any additional expense incurred by OBL during the river closure or restricted movement shall be for the SHIPPER’s account. Any barges loaded and in transit will be stopped in an area deemed safe by the engaged towing company and barges will remain until the waterway reopens. For barges not loaded at the time of the river closure if no alternate route is available then loading will be delayed until a reasonable time when transit to destination is possible. If the loading is not able to be delayed and no alternative destination accommodation can be made the loaded barge will be placed on storage at the nearest safe port to the closed waterway or at origin. The storage will end 0700 after the barge is picked up for transit to destination or the waterway opens and is deemed safe.

9. **BILLS OF LADING:** Any bill of lading or other shipping document issued in connection with transportation of cargo under this CONTRACT shall be considered acknowledgement of receipt only, it being the intention of the parties that the CONTRACT entered into between OBL and SHIPPER is the only document that contains the terms and conditions agreed upon by the parties for the transportation and carriage of cargo. The terms and conditions of this CONTRACT shall supersede any terms and conditions contained in any bill of lading.

10. **CLEANING:** Rates do not include the cleaning expense that results from cargo or debris left aboard the barge in excess of that removed by normal cleaning (including working surfaces, gunnels, decks, covers, etc.) by SHIPPER or its agents at both loading port and unloading port, and rates do not include the expense for the lawful disposal of such cargo and debris. Any and all charges (including disposal charges and necessary transportation expenses) encountered by OBL for removal and disposal of cargo or debris shall be in addition to the freight rate and shall be for SHIPPER's account and be payable to OBL in the same manner as the freight rate stated herein.

11. **SHIPPER’s WARRANTY:** SHIPPER at its sole cost and expense shall obtain and provide all certificates, permits, surveys, inspection reports and all other documents required under applicable federal regulations to lawfully load, carry, transport and discharge the cargo named herein.

SHIPPER warrants that the cargo will be as described on the face hereof; and if any cargo is different than that described, then SHIPPER

2  Revised 5/1/2017
agrees to release, defend, indemnify and hold harmless OBL from and against all claims or liability for loss, damage, expense, cost, injury, death, fine or penalty ("Claims/Liability") arising out of or in any way connected with or in consequence of the breach of this warranty. Unless otherwise agreed in writing by OBL, SHIPPER is prohibited from loading, shipping or transporting aboard OBL's equipment any perishable cargo or as those terms are defined by the U.S. Coast Guard or other regulatory agency having jurisdiction over the transportation of such cargoes; and SHIPPER warrants that the cargo described on the face hereof does not constitute perishable or hazardous cargo, or contain "hazardous materials or substances," and SHIPPER agrees to release, defend, indemnify and hold harmless OBL from and against all Claims/Liability arising out of or in any way connected with or in consequence to the breach of this warranty. In the event OBL agrees to carry and transport "hazardous cargo" or "hazardous materials and substances," then SHIPPER at its sole cost and expense shall obtain and provide all certificates, clearances, permits, inspection reports and all other documents required under applicable federal regulations to lawfully load, carry, transport and discharge said cargo; and SHIPPER shall release, defend, indemnify and hold harmless OBL from and against all Claims/Liability resulting from SHIPPER's failure to obtain said certificates, clearances, permits, inspection reports and all other documents to authorize the lawful movement of said "hazardous cargo" or "hazardous materials and substances" aboard OBL's equipment. SHIPPER further warrants that all cargo loading, cargo discharge and barge cleaning/washing activities shall be conducted in strict compliance with all applicable safety, health and environmental laws and regulations, including but not limited to the U.S. Coast Guard's Vessel General Permit and EPA regulations pertaining to cargo spillage and/or wash water discharge/runoff from the barge. SHIPPER agrees to release, defend, indemnify and hold harmless OBL from and against all claims or liability for any Claims/Liability arising out of or in any way connected with or in consequence of the breach of this warranty. All of SHIPPER's release, defense and indemnity obligations shall exist even without the negligence of SHIPPER, and even though such Claims/Liability shall result in part from the fault or negligence of OBL or from the unseaworthiness of any barge or vessel.

12. LOADING AND UNLOADING: It is SHIPPER's obligation to arrange for and/or load, stow and unload the cargo into and from the barge in a safe and workmanlike manner. SHIPPER warrants that OBL's equipment shall have safe berths at points of loading and unloading. It is SHIPPER's obligation to present cargo for shipment in a condition suitable for barge transportation. SHIPPER shall load only lawful cargo, suitable for transportation in barges, of the type identified on the face of this CONTRACT. SHIPPER shall load OBL's barge as near as practical to maximum draft specified by OBL without exceeding the maximum. Proper loading, stowage and unloading of the barge shall be SHIPPER's responsibility and accomplished at SHIPPER's sole expense and risk. SHIPPER shall comply with OBL's instructions regarding the weight of load, draft of barge and other such instructions as OBL may deem desirable for safe transportation. SHIPPER shall load the barge so that the cargo is evenly distributed throughout the hopper hold; SHIPPER shall not "center load" or "end load" a barge. SHIPPER shall distribute cargo in barges to ensure an even draft. SHIPPER shall ensure that all working surfaces (covers, decks, gunnels, etc.) shall be free of cargo and debris at the conclusion of loading and at the conclusion of unloading. If barges are not so loaded and unloaded, then SHIPPER shall, at its expense, make such corrections as necessary to meet OBL's requirements, in which event the barge shall be subject to demurrage charges provided herein from time of placement of barge until acceptance of barge by OBL. Any additional cost or expense or loss or damage incurred by OBL as a result of improper loading or improper unloading shall be for the account of the SHIPPER.

13. MOVEMENT OF CARGO: All decisions concerning the transportation of cargo under this CONTRACT will be at the sole discretion of OBL and will not subject OBL to liability of any kind. OBL will have the absolute sole discretion to determine which towers will move the cargo, when the cargo will be moved, which barges will be used (subject to SHIPPER having the right to reject a barge prior to loading if the barge is not suitable for transporting the cargo) and what routes will be taken. Because OBL may require assistance in the performance of cargo, when the cargo will be moved, which barges will be used (subject to SHIPPER having the right to reject a barge prior to loading if the cargo, suitable for transportation in barges, of the type identified on the face of this CONTRACT. SHIPPER shall load OBL's barge as near as practical to maximum draft specified by OBL without exceeding the maximum. Proper loading, stowage and unloading of the barge shall be SHIPPER's responsibility and accomplished at SHIPPER's sole expense and risk. SHIPPER shall comply with OBL's instructions regarding the weight of load, draft of barge and other such instructions as OBL may deem desirable for safe transportation. SHIPPER shall load the barge so that the cargo is evenly distributed throughout the hopper hold; SHIPPER shall not "center load" or "end load" a barge. SHIPPER shall distribute cargo in barges to ensure an even draft. SHIPPER shall ensure that all working surfaces (covers, decks, gunnels, etc.) shall be free of cargo and debris at the conclusion of loading and at the conclusion of unloading. If barges are not so loaded and unloaded, then SHIPPER shall, at its expense, make such corrections as necessary to meet OBL's requirements, in which event the barge shall be subject to demurrage charges provided herein from time of placement of barge until acceptance of barge by OBL. Any additional cost or expense or loss or damage incurred by OBL as a result of improper loading or improper unloading shall be for the account of the SHIPPER. Barges shall move only at the convenience of OBL, either as a single unit or with one or more other barge units. OBL is not bound to transport the cargo by any particular craft or in time for any particular market or otherwise than with reasonable dispatch and shall not be liable for deviations or delays in shipment. OBL shall have the right to shift or interchange the tow from one to another towing vessel as it (in its sole discretion) may find convenient or expedient. OBL shall have the right to tie off at the tow at any point and for any purpose. OBL shall also have the right to procure towage from vessels not owned, chartered operated by OBL. OBL shall also have the right to employ leased or chartered barges for the performance of this CONTRACT. OBL is free to "buy-in", from another carrier, some or all of the transportation service that OBL has agreed to provide herein. In the event OBL arranges for another carrier to carry some or all of the cargo, SHIPPER agrees to submit claims for cargo loss and/or damage to the actual carrier and any other party whose fault may have contributed to such loss or damage. OBL's liability shall be contingent and limited to the amount that OBL would have paid pursuant to the provisions of this CONTRACT entitled "OBL'S LIABILITY" had OBL been the actual carrier, less any amounts collected or that are capable of being collected from the actual carrier or others.

OBL shall also have the right to deviate from its normal route and to call at any port in any order OBL chooses, including those ports outside its normal route. In the event delivery of the cargo to destination cannot be accomplished due to SHIPPER not stipulating a destination prior to or after barge is loaded, inaccessibility of the offloading facility, waterway conditions, delay caused by SHIPPER or any other reason beyond the reasonable control of OBL, delivery of the cargo shall be deemed complete upon delivery of the barge to an accessible barge fleet selected by OBL in its sole discretion in reasonable proximity of the point of inaccessibility. Until such time that the barge can be delivered to a Destination and unloaded, all cost to maintain the barge at a proper draft and trim condition shall be for the account of the SHIPPER.

14. PAYMENT OF FREIGHT: The entire amount of the freight shall become earned, upon acceptance of the barge at origin, and is due and payable to OBL NET 30 Days from date of invoice, unless otherwise stated on page 1 of this Contract. OBL shall have a lien against the cargo for payment of freight, demurrage and for all other charges due under this CONTRACT, which lien shall survive delivery of the cargo. All freight, demurrage and other charges shall be subject to an interest charge of 1% per month beginning 30 days from the date of invoice. Without prejudice to OBL's other rights herein, OBL shall have the right to cancel this CONTRACT and withdraw its equipment in the event of SHIPPER's nonpayment of freight and other monies due 45 days after date of invoice or in the event of any other default of SHIPPER.

15. TAXES, TOLLS & USER CHARGES: SHIPPER shall be responsible to pay all transportation or other excise taxes on freight and any taxes, dues or other charges on the cargo.
16. **FORCE MAJEURE:** Neither OBL nor SHIPPER shall be liable for failure to perform or for delays in performance resulting from or
circumstances: (a) allocations, expropriations, requisitions, priorities, of governmental or civil or military or naval authorities, (b) political
carriers, and their agents or representatives; (f) saving or attempting to save life or property on the water; (g)
and in possession or under control of another carrier. OBL shall have no liability for spontaneous
unforeseen cause, whether due to negligence or not, for which, or for the consequences of which, OBL is not responsible by statute,
including but not limited to the opening/closing of barge covers and/or actual or alleged failure to properly clean such barge and/or
fire or explosion from any cause or whatsoever occurring, (n) epidemics, pestilence or quarantines or embargoes, or (o) for any other cause whatsoever beyond the reasonable control of the respective parties, whether

OBL INSURANCE: Neither OBL nor SHIPPER shall be liable for loss or damage to cargo while aboard its barges under Protection & Indemnity Insurance. OBL will not provide all-risk cargo insurance.

18. **SHIPPER INDEMNITY:** Notwithstanding any other provision of this CONTRACT, SHIPPER shall release, protect, defend and indemnify
their agents or representatives; (b) perils, dangers and accidents of the sea, of rivers or of other navigable waters; (c) any force majeure event as defined in this CONTRACT; (d) collisions or stranding; (e) act or omission of the SHIPPER or owner of the cargo, their agents or representatives; (f) saving or attempting to save life or property on the water; (g) wastage in bulk or weight or any other loss or damage arising from inherent defect, quality or vice of the cargo; (h) any latent defect in the shipment; (i) shrinkage, expansion, or other change in the cargo due to natural causes; (j) insufficiency of packing; (k) insufficiency or inadequacy of marks; (l) the physical act of loading or unloading; (m) contamination of cargo and (n) any other cause arising without the

delivery of the shipment, or in the case of failure to make delivery, then within six months after time for delivery has elapsed; and all lawsuits against OBL shall be instituted and served within one year and one day from the date of
delivery of the shipment, or in the case of failure to make delivery, then within six months after time for delivery has elapsed; and all lawsuits against OBL shall be instituted and served within one year and one day from the date of
delivery of the shipment, or in the case of failure to make delivery, then within one year and one day after time for delivery has elapsed, otherwise OBL shall be discharged from all liability in respect of all loss, damage, contamination or expense to cargo carried hereunder.

19. **GENERAL AVERAGE:** In the event of accident, danger, damage or disaster, before or after commencement of the voyage, resulting from any
cause whatsoever, whether due to negligence or not, for which, or for the consequences of which, OBL is not responsible by statute, contract or otherwise, the SHIPPER, consignee or owner of the cargo shall contribute with OBL in general average to the payment of any
sacrifices, losses or expenses of a general average nature that may be made or incurred, and shall pay salvage and special charges incurred in respect of the cargo. General average shall be adjusted, stated, and settled according to the York-Antwerp Rules 1994, as amended, at the Port of
New Orleans or last port of discharge, at OBL’s option. The general average in each instance shall be prepared by average adjusters selected by OBL. Contribution in general average shall be limited to the carrying barge, cargo and pending freight.

20. **OBL INSURANCE:** During the duration of this CONTRACT, OBL shall maintain an insurance policy protecting itself against damage to its
barges under Hull & Machinery Insurance and an insurance policy protecting itself against liability for loss, damage or injury including liability for loss or damage to cargo while aboard its barges under Protection & Indemnity Insurance. OBL will not provide all-risk cargo
insurance. OBL shall have the benefit of SHIPPER’s cargo insurance.
contractual liability, in an amount not less than $10-million per occurrence. All such policies shall contain waivers of subrogation against OBL and its parent, directors, shareholders, employees subsidiaries, and contractors and sub-contractors and will name them as additional insureds. The above policies shall be considered primary to any other insurance maintained by OBL.

22. **FORUM SELECTION:** The terms and conditions of this CONTRACT, and the rights and obligations of the parties hereunder, shall be governed by and construed in accordance with the general maritime law of the United States of America. Any controversy, dispute, claim, demand, or lawsuit arising out of this CONTRACT shall be brought in and decided by the United States District Court for the Eastern District of Arkansas.

23. **NOTICES:** All notices shall be in writing and furnished to the other party by facsimile or by e-mail at the address set forth on Page 1 of this Contract.

24. **ATTORNEY FEES:** If recourse to a court of law or other legal process, or retention of an attorney, by OBL becomes necessary to enforce any terms or conditions of this CONTRACT or the collection of any freight, demurrage and other charges due and payable to OBL, SHIPPER shall be responsible to pay all reasonable court costs and attorney fees incurred by OBL.

25. **CONFIDENTIALITY:** SHIPPER shall not disclose the terms of this CONTRACT to any person or party without the written consent of OBL.

26. **NOTICE OF DAMAGE:** In case of actual or apprehended cargo loss or damage, SHIPPER shall provide to OBL immediate written notice of such loss or damage and will provide OBL an opportunity to jointly survey the cargo prior to disposition of the cargo. No salvage sale or other disposition of the cargo will be made by SHIPPER without first giving advanced written notice and full disclosure to OBL of the proposed disposition. OBL must be notified promptly of cargo loss or damage as a condition precedent to recovery on any claims. Documents requested by OBL must be furnished promptly. Claims arising from loss or damage to cargo, or any other claims relating in any way to the shipment of cargo that is the subject of this CONTRACT, shall be barred unless suit is instituted within nine (9) months after such loss or damage occurred or such other claim arose.

27. **DEFAULT:** No default of either party in the performances of any of its covenants or obligations hereunder, which, except for this provision, would be the legal basis for termination of the CONTRACT by the other party hereto, shall give the non-defaulting party a right to terminate unless and until the defaulting party shall fail to correct the default within ten (10) days after written notice of such default is given to the defaulting party by the non-defaulting party. Notwithstanding anything in this CONTRACT to the contrary, there shall be no cure period for any default in payment of amounts due hereunder or for any default by SHIPPER in complying with any environmental or hazardous materials provisions of this and, in such case OBL shall have the immediate right to enforce each and every right afforded it under the CONTRACT and/or at law against SHIPPER.

28. **HIMALAYA CLAUSE:** Because OBL requires persons and companies to assist it in the performance of the work and services undertaken by it in connection with the carriage of cargo described herein, it is expressly agreed between OBL and SHIPPER that any person or equipment employed by OBL in the performance of all or any of the services undertaken by OBL hereunder shall each be a beneficiary of this CONTRACT and shall be entitled to all rights and immunities, limitations of value and limitations of liability that are offered to OBL under this CONTRACT and/or any pertinent statute of the United States.

29. **SEVERABILITY OF PROVISIONS:** If any provision or provisions of this CONTRACT shall be held to be illegal, invalid or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

30. **ACCEPTANCE OF CONTRACT TERMS:** SHIPPER’s acceptance of a barge placement by OBL pursuant to this CONTRACT shall be deemed to constitute SHIPPER’s acceptance of all terms of this CONTRACT whether or not signed by SHIPPER.
