

BILL CUSHMAN 6825

Bill was born in Salzburg, Austria. He was adopted from an orphanage by an officer in the Army and moved to the United States. As an army brat, Bill moved around a lot but spent most of his youth in Phoenix, AZ. Bill joined the Army at age 17 and stayed there for 6 years. After the military, he had various jobs which included banking and driving an EMT before he went to work at Bayliner hauling top end boats. During the aftermath of 9/11, he hauled approximately 2500 coast guard boats for the Department of Homeland Security. After the boat hauling slowed down in 2011, Bill found himself here at Oakley Trucking where he plans to retire. He enjoys pulling a pneumatic tank and likes working with Bradley on a daily basis. Like most truck drivers, Bill likes to drive. He said it is nothing for him to just jump in the car and take a 2-3 hour drive. When he is not driving, he likes woodworking and more specifically building cedar chests. His passion though is rebuilding cars. Some of which include a Plymouth Roadrunner, Ranchero, and also collected Fieros. Bill is also a family man. He has been married to his lovely wife for 25 years. He has 4 children; 3 boys, 1 girl and 8 granddaughters. When asked about something interesting that people may not know about him he told me that he grew up with Steven Spielberg and actually got to be in one of his first movies in 1959. It was a WWII movie called Fighter Squad. There are many roads that lead him to Oakley Trucking and we are glad that the paths in Bill's life have directed him here. We are lucky to have him as part of our Oakley family.
