Rockwell, NC

3 years of service

Pneumatic Tank

**Randy** was born and raised in the small country town of Rockwell, NC where he still lives today. He started trucking at the young age of 14 driving a truck on the farm. Driving a truck is pretty much all he has ever done. In fact he has been driving for over 30 years. He enjoys the independence of owning his own truck and seeing the open road.

Randy is very proud of his family, his wife Pauline of 30 years and his 3 children; 2 daughters and a son. He enjoys spending time with them when he is home off the road as well as penciling in some hunting and fishing time. Aside from his family, Randy is very passionate about the military and ways to help out. He constantly has members of the armed forces staying with him and his family at home as well as making and sending care packages overseas. At one time he had up to 12 military personnel and their families staying with him.

Randy said it's pretty simple when it comes to what he likes about Oakley, "They pay! I have never had any financial issues and Oakley has always done what I've asked. Plus I have a mighty big liking for Bradley and I don't plan on going anywhere."

Randy is a true professional and all around great guy. We are blessed to have him as an independent contractor at Oakley and proud to call him one of the Oakley Family!
